

# Distinguished Catalyst Researcher Seminar Series

**Professor Cynthia M. Friend**

Theodore Williams Richards Professor of Chemistry  
Department of Chemistry and Chemical Biology  
Harvard University

**"Chemical Reactivity and Surface Restructuring at  
the Nanoscale: Oxidation Reactions promoted by Au"**

**Pacific Northwest National Laboratory  
Richland, Washington**

**Date:** March 18, 2008

**Time:** 9:30 am

**Location:** EMSL Auditorium

**Hosted By:** Chuck Peden **Phone:** 371-6501
